From The Office Of The Mayor.....

Robert P. Doerr

We have many activities for everyone in this newsletter and the Recreation Center Summer Brochure. I hope you take advantage and participate.

A Memorial Day celebration will be held at the Missouri Veteran's Home on May 25th, beginning at 10 AM. I encourage everyone to

attend and honor our Veterans. We will have a short ceremony followed by a light lunch. (See page 4.)

Chief Robert Pruett has retired as of April 30th. Chief Pruett served this community for 14 years and has molded this department into one of the best in St. Louis County. I wish you well in your retirement, Chief Pruett, and hope that your future holds great things. The Chief's replacement is being sought thru a nationwide search conducted by the Missouri Police Chief's Charitable Association. We hope to have his replacement in office by July 1. Lt. Ihler will be serving as Interim Chief until the position is filled. (See page 2)

It is with much sadness I announce the resignation of Willis Dillworth, Ward 4 Alderman. Willis has been a tremendous help in shaping our community for the future. I will miss his advice and his smile. Thank You, Willis for all that you have done for this city and its Citizens. (See page 5.)

I want to acknowledge new appointments to the Public Safety Commission; Andrew Fields, Bobby

Smith and John Koester. I also want to announce the appointment of John J. Duepner Jr., as the Chief Judge for our Municipal Court. Judge Duepner has been serving as one of our provisional judges since last summer.

Al Chamberlain has resigned after many years from the Board of Adjustment and Public Safety Commission. I cannot say enough about Al and all he has done for this community. He will be greatly missed.

I encourage everyone to become active in our community. I am always seeking residents to volunteer their services for the betterment of our city. Currently, I have openings on the Image & Beautification Commission and the Youth Commission.

I am also proud to announce that after 3-1/2 years of working with Mathews-Dickey Boys' and Girls' Club, they will be hosting little league ball on the fields at Bob Russell Park beginning June 6. For more information, contact them at 382-5952.

The BNPD will be hosting a new summer camp program from June 15th to 26th for ages 9 to 14. Contact Sgt. Vassallo at 867-0080 for more information about this free camp. Space is limited. (See page 11.)

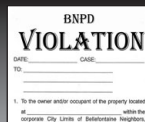

If you have or know of a problem, please let me know. I try to make myself available to help anyone who needs help solving an issue.

Crime Prevention Check, Warning Notice Or Citation?

Many times we hear about residents who are upset because they got a "ticket," from the City of BN. After the resident calms down a little and we get more information from them, we are occasionally able to determine the "ticket" is actually something else.

Crime Prevention Checks aren't tickets at all. They are issued to residents to prevent crime. Officers can issue a Crime Prevention Check if you leave your garage door open, a bike is left on the lawn, or your vehicle is running unattended. The Crime Prevention Checks are issued to help residents avoid needless crimes and are not reflected on anyone's record. You are not required to show up in court.

Warnings can be issued in several ways. The Building Department issues warnings in the form of letters (Property Maintenance Code letters) noting the need for painting or repair of residences and, during good weather for repair, compliance is given 30 days. Police issued warnings are issued to let residents know that they have a violation that needs to be addressed and usually give residents five (5) days to correct the violation or a citation will be issued. The most common violation is derelict or unregistered vehicles in driveways. In many cases, the Building Department or Police Department will issue an extension of the compliance date if the resident calls and gives reasonable justification for their delay. We inherently work with everyone to help them toward compliance but we will only grant an extension for reasonable justifications.

Citations can be issued with or without warnings and should be addressed in a timely manner and in most cases a court appearance is necessary. There will be a court date on the citation.

If you have questions, please call the Court Clerk at 867-0076. Even if your repairs or violations are not complete, it is important that you show up to court if you are given a citation. Failure to appear in court will result in an arrest warrant. The municipal judge will work with you to insure you meet compliance.

BNPD Honored For Extra Effort During Ferguson Protests

On Thursday, February 19, 2015, Chief Pruett, presented Letters of Commendation to the men and women of the Bellefontaine Neighbors Police Department to recognize them for their outstanding service during the civil unrest in Ferguson.

The vital role officers played was in the extended peacekeeping and law enforcement efforts. They did this willingly, enthusiastically and with dignity, putting themselves at great personal sacrifice and risk.

Chief Pruett expressed his pride in every officer and their commitment to a professional department.

From The Office Of Chief Robert Pruett

Dear Residents,

I have been honored to serve the City of BN and its residents as the fourth Chief of Police in the city's history. During my time as Chief, the Police Department has dramatically improved the professionalism of law enforcement in our community. With the assistance of the Mayor, the Board of Aldermen, police officers, civilian employees and the residents, we have provided top notch police services to our community. Your support has insured us up-to-date and well maintained equipment which allows our officers to work safely and efficiently.

During my tenure as Chief, our policy and procedure manual was updated and we were the first police agency in the State of Missouri to be "State Certified" by the Missouri Police Chief's Charitable Foundation. I believe we have been progressive, proactive and professional in our delivery of police service to our residents. I am very proud of each and every police officer, either current or former, who has worked diligently to make Bellefontaine Neighbors one of the best and safest communities in the area.

The residents of Bellefontaine Neighbors have always been very supportive of our officers and Police Department which are vital to the success of any city. I would like to take this opportunity to thank each and every one of our residents for their understanding, cooperation and support.

I must state that, as your Chief, I was disappointed that we were not able to get voter approval for a new facility which is so desperately needed. A new facility would allow our officers to do a more effective and efficient job in providing the best police service to our residents. It is my hope that the Mayor, Board of Aldermen and the residents, find a way to approve and build such a facility in the near future.

Again "Thank You" to all for your trust, your help, your loyalty and for allowing me the opportunity to be your Chief of Police. I have thoroughly enjoyed my tenure here. I couldn't have asked for a better group to work with.

Robert Pruett

Recognizing Chief Pruett

Chief Pruett was honored for his 51 years of law enforcement by his family, friends and peers at a reception held in his honor. The Chief was toasted by his brother and current co-workers.

municipalities including, Ballwin, Chesterfield, Clayton, Country Club Hills, Glendale, Hazelwood, St. John, O'fallon and Law Enforcement of Greater St. Louis, and others.

Recognitions were also made by the City of BN, Kris Schmidt from the Secret Service and St. Louis County

Especially important to the Chief was recognition of the Cadets he worked with at the City of St. Louis at the beginning of his career. They have stayed in touch after all their years of service.

We wish Chief Pruett a long and happy retirement.

The Search For A New Chief

When the Mayor and Board of Aldermen accepted the Chief's letter of retirement, they considered the options to search for a new Chief. According to policy, the position would have to be advertised.

The offer the Board accepted was to contract with the Missouri Police Chief's Charitable Foundation (MPCCF), who will conduct a nationwide search, review resumes and consider the best ten (10) applicants for the position, according to the specifications of the city. Considering these, the MPCCF will again

consider the applicants and present the final five (5) applicants to the City of BN for an interview process.

The final date the MPCCF accepted applications was April 27, 2015.

The Mayor and Board of Aldermen are hoping to have the new Chief in office by July 1, 2015, however finding the right person who is qualified and will maintain a professional department is more important than the timeline.

City Of BN Park Survey - Park Improvements

The Municipal Park Grant Commission of St. Louis was organized in 2000 to award funds to municipalities based on the strength of their grant applications, taking into account such factors as needed, including planning and community input. In order to qualify for funds, the City of BN is developing a Master Parks Plan and Park System Needs Assessment to document existing conditions and community needs. Community input is encouraged.

An online survey has been developed to allow anonymous input on the current use and future needs of BN parks. Please follow this link to take the survey and provide much appreciated feedback:

www.surveymonkey.com/s/BellefontaineNeighbors

Two public forums will be held for residents to review conditions and make recommendations.

The first of these meetings will be held on **June 9** from 4 to 7 PM at the City of BN Recreation Center (9669 Bellefontaine Rd). This meeting will be oriented around the assessment of the existing park system and amenities.

The second meeting will be held on **July 21** from 4 to 7 PM at the City of BN Recreation Center (9669 Bellefontaine Rd). This Meeting will focus on the review of the needs assessment and a determination of priorities for future improvements.

We appreciate your input and look forward to seeing you at both public meetings. Thank you!

Eagle Scout Michael Clark

In March of 2015, Michael Clark was presented his Eagle Scout Award. Michael is the 109th Scout to earn the Eagle Award from Bellefontaine United Methodist Church, Troop 271. Michael was presented a plaque by Alderman Scott Shultz and Alderman Don Merz in recognition of his accomplishment. Michael built two benches for his school for his Eagle Scout Project. Michael and his mother want to thank Troop 271 and Tim Woelbling for the guidance and leadership which supported him in his efforts to achieve the rank of Eagle!

On March 23, 2015, Alderman Willis Dillworth submitted his letter of resignation as Alderman of Ward 4.

Alderman Dillworth thanked the Mayor, Board of Aldermen and supporting staff at City Hall, noting that

this is arguably the strongest seated board that the City has had since he's been a resident. Alderman Dillworth also wished, "much success in all the Board does on the behalf of the City."

Alderman Dillworth also thanked the residents of Ward 4 and challenged them "to seek out and passionately support those who are willing to take on the challenge of working on their behalf."

Speeding in residential areas is one of the most common complaints among residents. Speed limit signs are located on every street leading into residential areas to remind people the speed limit on residential streets is 20 miles per hour. This is especially important to keep in mind with school letting out for the summer and children will be out and about during summer months.

Police officers are expected to monitor residential streets between calls and other duties and cannot always be everywhere. Your help is needed in reporting speeding

problems. Please report vehicle plates or descriptions along with the times vehicles frequent your street to:

Dog & Cat Vaccine Clinic

Saturday, June 6, 2015

9 AM to Noon

**City Hall Garage (Behind City Hall)
9641 Bellefontaine Road**

City of BN ordinances require dogs and cats have current rabies tags. The city provides an opportunity to get vaccinations and tags at reduced costs at the Annual Dog & Cat Vaccination Clinic.

The attending Veterinarian is Dr. Dan Wendt, DVM, who owns and operates the Ferguson Animal Clinic at 843 Airport Road. You can get a discount by showing a spay or neuter certificate.

City ordinances also require that dogs and cats have a City of BN license. The cost of the license is \$2 and can be purchased at the clinic when you get the shots or at City Hall during regular hours by showing proof of rabies vaccination.

When pets are vaccinated, they get rabies tags. If pets are found by Animal Control officers, tag numbers or microchip numbers are immediately checked

in their computers to reunite lost pets with their owners. Pets can't tell authorities where they live - and tags serve as your pet's "Free Phone Call Home!"

St. Louis County offers vouchers to help with the cost of spaying or neutering your pets. For more information, call the St. Louis County Animal Care and Control Center at 615-0650.

SLU Analysis Of The BN Operations

Pictured left to right: Danielle Da Silva, Nicole Arview, Andy Krus and Spencer Daniels.

The St. Louis University, Cook School of Business, Master of Business Administration Program partnered with the City of Bellefontaine Neighbors and conducted an analysis of our operations. Over the course of a 10-week period, both organizations worked together to identify ways to improve upon and introduce new ideas to make the City more effective and efficient in its delivery of services to residents. New initiatives will be developed from this partnership to enhance the quality of the relationship between the community and the City. The City gives thanks to the members of the SLU group for their time, energy, and efforts in strengthening our government and community.

Mosquito Control

Keeping mosquitoes under control is up to all of us. The City of BN contracts with St. Louis County for spraying. Residents should pay special attention to any water which stands on their property. Pools, bird baths and pots that contain stagnant water can breed thousands of mosquitoes. To report mosquito problems, call 867-0076.

Among other organizations, he made a philanthropic mark as an organizer of a Pipefitters program that helps underprivileged families keep their homes warm during winter, a longtime position with the St. Patrick Center and as a member of the DePaul Hospital Community Advisory Board. Our sympathy to the O'Mara family.

Neighbors knowing neighbors and watching out for each other is the most effective crime prevention we can have. Please plan to join this important event.

Spring has arrived, with summer right behind it.

In a very short time, we will be opening the swimming pool and summer will begin. This is the time remind everyone to keep your grass cut and make necessary repairs to your home. Be aware that your neighbors do not wish to live next to an unkept residence, so you need to make sure you are helping keep the neighborhood nice looking by taking care of your property.
