Dear Resident:

Welcome to the City of Bellefontaine Neighbors, a community known for its strong sense of pride, commitment to excellence, and dedication to maintaining a high quality of life for all residents.

Our city offers a wide range of amenities, including a beautiful Recreation Center with indoor and outdoor pools, racquetball courts, weight room, gym, and meeting spaces. Residents also enjoy access to park spaces, playgrounds, walking trails, and community programming designed for individuals and families of all ages.

Bellefontaine Neighbors is a non-partisan form of government with a Mayor and a Board of Aldermen representing each ward. We encourage all residents to stay informed, engaged, and active in helping shape the future of our community.

As your Mayor, I am committed to transparency, accountability, and moving our city forward. My administration is here to serve you, and we welcome your input, ideas, and participation.

If you have any questions or need assistance, please do not hesitate to contact City Hall. We are here to support you.

Sincerely,

Miranda Avant

ATTENTION REGARDING TRASH CANS

Dear Bellefontaine Resident:

RE: Property Maintenance Code

·Please store your trash totes at the side or the rear of your house. Storing trash totes in front of your house is a violation of Chapter 12, Section 12-20(f) of the Code of Ordinances.

·Solid waste may be placed at the curb for collection in permitted containers. No waste or waste containers may be placed at the curb prior to 5:00pm on the day preceding a scheduled collection and the containers must be removed from the curbside by 5:00pm on the day after the collection. This is per Chapter 12, Section 12-20(b).

If you have any questions, please contact the Building Department at 314-867-0076 ext 259

ATTENTION PET OWNERS

ALL PETS (CATS & DOGS) MUST BE REGISTERED IN THE CITY OF BELLEFONTAINE NEIGHBORS. THIS IS AN ORDINANCE. (Ord. No. 970, § 2, 8-7-1975; Ord. No. 1311, § 1, 2, 6-5-1986)

ONLY 2 PETS ARE ALLOWED (CATS & DOGS)

Pit Bull Dogs are considered DANGEROUS animals within the City of Bellefontaine Neighbors. In order to register your pet, you will need a \$100,000 liability insurance policy to cover the pet and photos of the Pit Bull; one with a muzzle and one without. Pit Bull dogs must be on a leash and muzzled at all times, even in a fenced-in backyard, and should be accompanied by the owner at all times.

The cost of the pet tags is \$10 each, and we require a paper copy of the shot records for each animal. Any questions, please contact the Building Department at 314-867-0076 EXT 257.

SANITARY SEWER LATERAL REPAIR POLICY

1. This program is to commence on January 1, 2000.
2. A fee will be assessed at the rate of \$28.00 per year. The fee will be included on the resident's annual St. Louis County Real Estate Tax bill. Each residential dwelling shall be assessed the fee. Commercial properties cannot participate in the program. Residential homes that are delinquent in paying the St. Louis County Real Estate Tax bill will not be allowed to participate in the program until the Real Estate taxes are paid.
3. Residential dwellings not connected to MSD's sewer main but are connected to a septic tank may apply to the City of Bellefontaine Neighbors for a rebate of the \$28.00 fee. A copy of the paid St. Louis County Real Estate Tax bill must be furnished to the City when applying for the rebate.
4. A sewer lateral is defined as the portion of pipe that carries household wastes to the Metropolitan St. Louis Sewer District sewer main and lies between the house connection and the sewer main. The definition is the same whether the sewer lateral pipe is located in the front, side, or rear yard.
5. The City will contract for the repair of a defective lateral if, after investigation, it is found to be defective due to causes beyond the control of the property owner. Simple blockages that can be corrected by sewer cleaning (cabling) and rodding will not be covered under this program. The City will not be responsible for damage caused by natural disasters or other "Acts of God."

The responsibility of the City is limited to excavation and repair of the lateral pipe and backfilling in a workmanlike manner. It will be the responsibility of the property owner to restore landscaping and ground cover, including grass. The City will not be responsible for the restoration of the yard to a grass or landscape surface. The homeowner will be responsible for replacing any trees, shrubs, or flowers removed to allow the replacement of the sanitary sewer lateral by the Plumbing Contractor.

SANITARY SEWER LATERAL REPAIR POLICY

7. The money generated from this fee will also be used to replace sidewalks, driveways, and streets removed to accomplish this repair. In the event it is necessary to remove accessory structures, this money can be used to restore such fences in their pre-existing condition. In the event obstacles are in the path of the lateral and lie over the damaged portion or the lateral, the City reserves the right to re-route the lateral to avoid the necessity of removing the obstacle.

8. Drain layers, licensed by St. Louis County will be contracted to work on the sanitary sewer laterals on a bid basis. The most responsive, best and lowest bid shall be awarded and contracted. The successful contractor shall pay no less than the prevailing rate or hourly wages for each craft or type of workmanship needed for the sewer lateral repair as determined by the Missouri Department of Labor and Industrial Standards.

9. The Homeowner will be responsible for bearing the cost of removing or restoring all or any portion of a deck, porch, patio, planter box or similar structure which the Plumbing Contractor deems necessary to allow replacement of the sanitary sewer lateral. The Homeowner can arrange for the removal and restoration work or the City will have the Plumbing Contractor do the work and bill the Homeowner for the removal and restoration work. If the Homeowner does not reimburse the City for the work, the City will file a lien against the property.

10. Before submitting the Sanitary Sewer Lateral Program Application (Rev #3) it is the responsibility of the Homeowner to have the lateral-in-line video inspected and marked (either by flags or paint marks). The in-line video tape must have audio narration describing the problem and location of the problem on lateral, name, address of house and the date that the video inspection was made. The homeowner must also furnish a report and/or receipt from the plumbing or sewer service that cabled or jetted the sewer lateral in an attempt to clear the lateral.

The cost of the in-line video and locating of the lateral is to be paid by the Homeowner.

Video tape is to be submitted to the City when making the Sanitary Sewer Lateral Program Application.

CITY OF BELLEFONTAINE NEIGHBORS

ST. LOUIS COUNTY RESIDENTIAL WATER SERVICE LINE REPAIR PROGRAM

What is it?

- Proposition 2 passed by county voters in November 2000
- Authorizes a water service line repair program for county residents
- Program fee of \$1.00 per month is collected on residential water bills
- Pays for the repair or replacement of leaking and/or broken residential water service lines

What is a Water Service Line?

- The water service line carries water from the main, located near the street, to the inside of the house
- It is usually located in the front yard
- It may be located in the side or rear yard, and/or it may pass through a neighboring property
- It should be at least 42" underground

How do I know if I have a Water Line Leak?

- The presence of water in the yard or the street
- Very low water pressure
- An unexplained unusually high water usage bill

What Should I do if I suspect a Water Line Break?

If you think your water line is leaking, contact your water service provider (Missouri American Water Company or your municipal water service provider).

- The water company will send an inspector to confirm the leak. The water company will leave a repair notice, which is submitted to the County with the application.
- Contact the Water Service Line Repair Program office at 615-8420 to obtain an application.
- The County will solicit bids from participating licensed plumbers and will pay the plumber directly for the repair. To be eligible under the program, the program fee, included on the water bill, must be paid.
- Licensed plumbers will obtain all applicable permits and meet all County and/or municipality inspection requirements.

CITY OF BELLEFONTAINE NEIGHBORS

ST. LOUIS COUNTY RESIDENTIAL WATER SERVICE LINE REPAIR PROGRAM

What if I have an Emergency Water Line Leak?

- If an emergency water line break occurs after normal business hours, contact your water service provider to shut off the water supply, and apply to the program on the next business day.
- If the water service provider is unable to shut off the water supply, contact a St. Louis County Licensed Plumber to relieve the immediate emergency. Homeowner will then apply to the program on the next business day.

What is NOT Covered?

- Repairs on the inside of the house
- Water meters and/or any facilities owned by the water service provider
- Landscaping or ornamental structures
- The location or relocation of shut-off valves or stopcocks
- The elective replacement of old or lead lines

The program will NOT pay for:

- Repairs necessary as a result of freezing, earthquakes, or other acts of God
- Repairs on the inside of the house
- Water meters and/or any facilities owned by the water service provider
- Landscaping or ornamental structures
- The location or relocation of shut-off valves or stopcocks
- The elective replacement of old or lead lines

WASTE MANAGEMENT

TRASH SERVICE

Weekly trash service is provided with one 96-gallon cart included in the price of service. Residents should place carts at the curb before 7:00 AM on collection day with the handle facing away from the street so the automated arm can properly pick up the cart.

Trash carts should have tight-fitting lids, be rodent proof, and should not weigh more than 40 pounds.

YARD WASTE SERVICE

Weekly yard waste service is provided and includes one 96-gallon yard waste cart. Yard waste includes grass clippings, leaves, small branches, and limbs less than 6 inches in diameter and cut into 4-foot lengths.

Residents may also use personal trash/yard waste cans or kraft paper bags. Plastic bags are not allowed for yard waste.

RECYCLING SERVICES

Recycling collection is included with service. Recycling helps save natural resources, energy, clean air and water, landfill space, money, and jobs.

- Plastic bottles and containers marked #1 through #7
- Newspapers, magazines, catalogs, junk mail, envelopes, and cardboard
- Glass bottles and jars (clear, green, and brown only)
- Rinsed aluminum cans, trays, foil, steel cans, and tins

BULKY WASTE / WHITE GOODS

One bulky waste item per month is included in the contract. Bulky waste includes sofas, mattresses, tables, wood, and similar items.

White goods such as refrigerators, washers, dryers, and hot water heaters may be picked up by appointment for an additional charge.

BILLING & PAYMENT INFORMATION

Waste Management customers are billed on a quarterly basis. Bills are mailed at the beginning of the quarter and should be paid by the middle of the quarter to avoid service interruption.
