## From The Office Of The Mayor.....

### Marty Rudloff

Dear Residents,

I am sorry to report Mark G. Franzoi has resigned as Alderman of Ward 3. Mark has been on the Board of Aldermen (BOA) since

November of 1996. His service included President of the Board and Budget Director. He has always voted with the citizens in mind, the well-being of our community and the employees of The City of BN. Mark designed the Veteran's Memorial in Klein Park, including the memorial stone, plaques representing each branch of the service and replica of the advanced fighter (airplane), dedicated to the defense workers. Mark was Committee Chairman to bring the Vietnam Memorial Moving Wall to the city in 2004 and organized "Cell Phones For Soldiers."

Alderman Mark Franzoi

Mark said, "It's always a hard decision to stop doing the things you love to do, but there is also time to move on to other things in your life, and this is that time." We will miss Mark and wish him the best.

City Clerk, Deni Donovan swears in Alderman Mark Roth

Since Mark's term will not be up for election until April, 2010, it is up to the Mayor to appoint a replacement. With the approval of the BOA, I appointed Mark Roth.

Mark Roth has been a resident of the City of BN all of

his life. Mark and his wife Tina are members of Holy Name of Jesus Catholic Church and have been active in many community events. I know Mark will make a good Alderman and work well with Alderman John Jordan in Ward 3.

Proposition S (Streets) has passed and the BOA and I are looking forward to assessing streets and making decisions about which streets will be the first to be fixed and making arrangements for funding. At this time, we are hoping to address a few of the worst streets later this year, but we expect that most of the work will be done in 2010 through 2011. We will keep you up on the progress we are making.

*Mayor Marty Rudloff*

# Memorial Day Program

The City of Bellefontaine Neighbors, Fort Belle Fontaine American Legion Post #335 & The Santa Cruz Council Knights of Columbus will hold the 11th Annual Memorial Day Service on Monday, May 25, 2009, 10:00 AM at Klein Park. (Bellefontaine and Chambers Roads)

Over the years the crowds have grown and more and more people are coming to show respect for the heroes who have made the greatest sacrifice for our freedom. Bring your lawn chairs. Our special guests this year will be:

**Col. Terry Crowder, Division Calvary Brigade** will speak on the Civil War. More men died in this war than all other U.S. wars combined. The Brigade will be in authentic 1860 uniform and on horseback.

**The Riverview Gardens Navy Jr. Reserve Officer Training Corps (ROTC)** will serve as our color guard and demonstrate their synchronized drill.

Frank Viviano will sing "The Proud Hero" written by Judy Schwartz. Frank and Judy are area residents.

Division Calvary Brigade - Riderless Horse

Following the service, everyone is invited to Post 335 for refreshments. In case of rain, the Memorial Day Service will be held at American Legion Post 335, 11869 Raymond Road, St. Louis County, Mo. 63138

## Emergency Generator For City Hall Complex

The City of BN has contracted with RJT Electric Co. for an emergency generator that will serve the City Hall, Police Department and Recreation Center. The cost of the Generator and installation is \$114,950.

The generator is a 275 KW, Kohler Diesel Generator that will serve the City Hall Complex. Because of the configuration of the two buildings, the electric service had to be a split bar; one for the single phase building and one for the three phase building.

Electricians are doing the prep work for the generator and final installation should occur by the end of May.

The new generator will make the City Hall Complex, including the Police Department fully operational during

any power outage. It will also ensure that the Recreation Center will have power and can be used as a heating or cooling shelter, if needed

During the next couple of weeks, there will be several "down-times" at the City Hall and Recreation Center when the electric will be out and phones cannot be answered. Please bear with us.

Funds for the generator will be taken from our "surplus" funds.

Thanks to Mark Dickerson, the Parks and Recreation Director, who took on the project of researching, getting bids and presenting them to the BOA. Mark's efforts are greatly appreciated.

## Wilderness Park "Is Not For Sale At This Time"

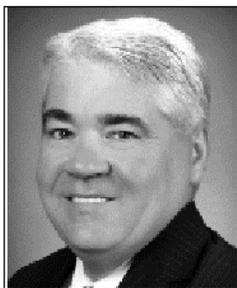

In December of 2008, Mr. John Lee approached the BOA with a proposal to buy and develop Wilderness Park located on the Southwest corner of Bellefontaine and Chambers Roads. After much discussion, thought and input from the community, Alderman Anthony Smith made a motion, "Wilderness Park is not for sale at this time." The motion passed and the contract with Mr. Lee is no longer in place.

Take some time to walk through Wilderness Park. The .8 mile long trail is one of the very few, true nature trails in North County. Please remember to pick up

after your pets and put litter in the cans so everyone can enjoy the park.

## Reporting From Jefferson City

Senator Tim Green

Senator Timothy P. Green ( D-Spanish Lake ) has advanced legislation in the Missouri Senate during the 2009 session. Numerous residents in North St. Louis County have been charged for storm water run-off services even though they do not have access to any services provided by the Metropolitan Sewer District (MSD). Many are of the opinion that it is wrong for MSD to

charge these consumers without providing any service. Senate Bill 172 has passed in the Senate which seeks to prohibit MSD from charging these residents unfairly and has received numerous letters of support from area-residents. The legislation is being handled by State Representative Gina Walsh (D-Bellefontaine Neighbors). "The Senate spoke clearly when they passed this important bi-partisan tax relief legislation," said Rep. Walsh, "I will work with my House colleagues toward passage of this important legislation that rights this wrong, where residents are paying for services, without access or benefit to those services."

Sen. Green has also had success with his drunk-driving awareness legislation, Senate Bill 93. Our community is reminded time and again with tragedies inflicted by drunk-driving. With the passage of the bill, an educational program is developed with the intention of reducing drunk driving and making Missouri roads safer. The legislation passed in the Senate and was heard in the House Crime Prevention Committee.

More recently, Senate Bill 117 has advanced that provides \$14 million in additional money to the Riverview Gardens School District to correct a state funding

formula error. "Funding for our schools is important to securing a bright future for our children and community," said Rep. Walsh, further adding that "this funding formula error is unacceptable and should be fixed." Rep. Walsh has advanced similar legislation. House Bill 542, recently passed out of the House Elementary and Secondary Education Committee.

Representative Gina Walsh

The Senate passed its 13 budget bills and now the House-Senate Budget conference committee must reconcile the newer Senate proposals with the House version. Then the two chambers must pass a final version of the budget by May 8. Missouri Senators are proposing to use \$943 million of federal stimulus money into next year 's budget for services ranging from schools to sex crime detectives to passenger trains. The stimulus money comprises just 4 percent of the Senate's proposed \$23.2 billion operating budget. Items include \$15 million for job training; \$11 million for the Missouri Arts Council; \$9 million for the state's subsidy for twice-daily Amtrak service between St. Louis and Kansas City ; \$1.5 million for Internet sex crime detectives; \$1.7 million on anti-tobacco programs; and \$2.1 million on child care subsidies for lower-income parents.

## The City Of BN Extends Contract With WM For Two Years

Our present trash contract with Waste Management (WM) is up for renewal in June, 2009. Our present rate, \$18.83 includes trash, yard waste, recycling, once a month bulky waste pick up, 1 - 90 gallon trash tote and 1 - 18 gallon recycling bin. When WM offered to extend the contract for the next two years, Aldermen considered the offer.

During the past year, we have seen the county mandated trash services bid out at more than our contract with less services, so the BOA has decided to extend our present contract. Starting in June, 2009 our new contract will be for \$19.10 per household per month or \$57.30 per quarter.

Senior Citizens (over 62) should stop by City Hall and show their ID to receive a 10% discount. Additional totes for trash or yard waste are available for \$2.50 a month. Call WM at 506-4700 for more information

The City of BN encourages residents to recycle and has applied for a grant to obtain 64 gallon wheeled recycling carts for each household, free of charge. The grant is through St. Louis County. We hope to hear soon if the grant is approved and we'll have more information in the next newsletter.

If you are currently recycling and the 18 gallon bin is not enough, please call WM at 506-4700 to receive a 2nd bin free of charge.

# Alderman Mark Roth

Dear Residents,

I am very honored to be appointed by Mayor Rudloff and the Board of Aldermen to take the seat of Alderman of Ward 3.

I want to thank Mark Franzoi for his many years of service to the community of Bellefontaine Neighbors and wish him and his family well in all future endeavors.

I have actually been a lifelong resident of Bellefontaine Neighbors, first living with my parents Joan and Lou Roth residents of Ward 2 up until I purchased a home on Unicorn Drive in Ward 3 in 1988. My wife Tina, daughter Erica and I have been involved in many com-

munity events thru Saint Jerome Church and School and also with Holy Name of Jesus Parish, the Knights of Columbus #1215 and Boy Scout Troop #229. I am a graduate of Riverview Gardens High School Class of 1982 and a graduate of Central Missouri State University Class of 1986. Currently, I am employed by Wachovia Securities (Formerly AG Edwards & Sons) and have been since 1987.

I am looking forward to meeting all the residents of Ward 3. If you see me out and about, stop to introduce yourself. Please do not hesitate to call me if you have any questions or need my help. (869-9061)

Thank you again and I am looking forward to the opportunity of helping Bellefontaine Neighbors grow and move forward in the coming years.

## How Did Your Alderman Vote?

The Board of Aldermen meet on the first and third Thursdays of every month at 7:30 PM. All meetings are open to the public. The public is given an opportunity to comment at both the beginning and end of the meeting. Below is a record of how your Aldermen voted on ordinances presented during the past 3 months.

Bill #	Date	Description	Paro (w-1)	Migliazzo (w-1)	Puzniak (w-2)	Merz (w-2)	Franzoi (w-3)	Jordan (w-3)	Smith (w-4)	Hollis (w-4)	Pass or Fail

# Shepley Road Bridge Deck Reconstruction Project

The Shepley Road Bridge project was scheduled for summer of 2009 when the Riverview High School is not in session. The City of BN has obtained all of the intermediate approvals from the Missouri Department of Transportation (MODOT), but due to delays from the Burlington North Santa Fe Railroad in approving plan reviews, obtaining the additional insurance requirement and their project approval letter the project has been delayed. The earliest the project could be started would be October of 2009.

Since Shepley Road is so heavily depended on by the Riverview Garden's High School, The City of BN has decided to postpone the bridge deck replacement until summer of 2010, where it would cause the least interference with the traffic from the high school.

The Shepley Road Bridge Deck Reconstruction Project is expected to cost \$580,300. A grant from the East-West Gateway Coordinating Council's Bridge Replacement Program will pay 80% or about \$464,300 and the City of BN will pay 20% or about \$116,000.

## Image & Beautification Notes

Thanks to all of the volunteers that attended our Beautification Action Day on April 25, especially the residents of the Missouri Hills Home. Your help is appreciated.

Summer Beautification Awards will be awarded to two residences in each of the four wards. Judging will be held during the month of June. Selections will be based on beauty, design, creativity and front yard curb appeal.

Help keep Bellefontaine beautiful. Let's keep our grass mowed, shrubs and trees trimmed and lawns free of litter. Every little bit helps.

We need more gardeners. If you are interested in starting a flower garden in your neighborhood, joining

the Image and Beautification Commission or joining us for Beautification Day, please contact the Image and Beautification Board at 867-0076.

## Youth In Government 2009

Thanks to the youth of the City of BN that took over the BOA meeting on Thursday, April 2, 2009. Teens representing the Mayor, City Clerk, Chief of Police, City Collector and Aldermen take an advisory role and make recommendations to the BOA regarding a variety of issues, including local, state and federal topics.

# #36 Spanish Lake

The #36 Spanish Lake bus route runs from the Riverview Transfer Center at Riverview and Hall Street to the North Hanley MetroLink Station hourly during the week and weekends from about 5 AM to 11 PM. Connections can be made to the #4 Natural Bridge, #16 City Limits, #34 Earth City, #40 Broadway, #41 Lee, #45 Hazelwood, Ferguson, #47 Hanley, #49 Lindbergh, #61 Chambers, #74 Florissant and #90 Hampton bus lines. Some Rush hour routes connect to downtown Convention Center Metrolink.

# #61 Chambers

The #61 Chambers bus route runs from the Riverview Transfer Center at Riverview and Hall Street to the North Hanley MetroLink Station hourly on weekends and about every 45 minutes on weekdays from about 5 AM to 11 PM. Connections can be made to the #4 Natural Bridge, #16 City Limits, #34 Earth City, #36 Spanish Lake, #40 Broadway, #41 Lee, #45 Hazelwood Ferguson, #47 North Hanley, #49 Lindbergh, #74 Florissant and #90 Hampton bus lines.

## Public Transportation In The City Of BN

Although Metro bus service has been cut due to financial limitations, there is still bus service for residents of The City of BN. The #36 Spanish Lake bus and the #61 Chambers bus serve residents and tie into 12 other bus routes and the MetroLink.

Metro Bus fares start at \$1 for seniors, children and customers with disabilities and \$2 for adults. Transfers are an additional \$.35 for seniors, children and customers with disabilities and \$.75 for adults. MetroLink tickets are \$1.10 for seniors, children and customers with disabilities and \$2.25 for adults.

Metro also provides limited Call-A-Ride Service. This is a "curb-to-curb" van service that requires advanced reservations. Cost for the service is \$13.00 and additional \$1.30 per mile over the first 5 miles and ADA eligible trips are \$4.00.

Missouri residents age 65 and over have the privilege of riding the MetroLink and MetroBus for a reduced fare of approximately half the price of a regular ticket. Effective January 1, 2009, every senior wanting to take advantage of this discount will need a special Metro Reduced Fare Permit. Seniors can sign up for the card Monday through Friday between the hours of 8:30 a.m. and 5:00 p.m. at the Downtown MetroRide Store located at 701 Convention Plaza, St. Louis Missouri 63101 at the corner of 7th and Washington (inside America's Center at the Convention Center MetroLink Station).

Many of our bus stops are located in front of private homes. Please show courtesy to the residents who have bus stops in front of their homes by not littering or damaging public or private property. For more information on schedules, routes and fares, call Metro at 231-2345.

## City Of BN Senior Transportation Service

The City of BN offers transportation to seniors and disabled residents through The Senior Transportation Service that was started in 1999.

Seniors, aged 65 and disabled residents, can use the service. The bus takes residents to medical appointments within a 10 mile radius of The City of BN, Bill's Market, Schnucks, Aldi's, Shop & Save, Target, Kohl's, K-mart, Jamestown Mall and, sometimes lunch.

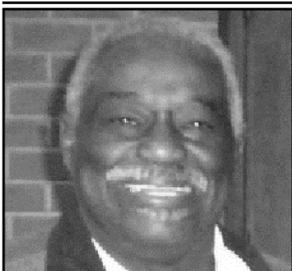

The cost of this service is \$3.00/year for an ID card. The service was established to give older residents an opportunity to be independent and stay in their homes. We often hear riders rave about the service and driver.

The Bellefontaine Senior Bus was originally obtained by the city through a grant from MODOT. The original vehicle was semi-retired with 150,000 miles and a new vehicle was purchased in 2005 with another grant.

Residents in need of the service should call the Recreation Center at 867-0700 to pick up a packet and application. The staff at the Recreation Center will be glad to tell you about the boundaries and schedule. Please call in advance to reserve your seat on the bus.

## Congratulations To Our Younger Residents.....

**Sarah Brutlag**,  
City of BN resi-  
dent and 7th  
grade student at  
Grace Chapel  
Lutheran  
School, was  
selected to rep-

resent the school at the 2009  
Academy for Excellence at  
Concordia University in Seward,  
Nebraska. The Academy was  
established to honor outstanding  
youth for their accomplishments in  
leadership and service.

**Aisa Divine**,  
City of BN resi-  
dent recently  
received a Quill  
Guard award  
from the  
Hellman Middle  
School, National

Junior Honor Society for demon-  
strating the enduring values of  
learning, responsibility and service.  
This is her second year in the  
NJHS. (Aisa attends the  
Pattonville School District where  
her mom teaches.)

**Gina Cira**,  
Trinity Senior  
and City of BN  
resident  
received the  
Archbishop  
John L. May  
Christian

Service Award on April 21.  
Students receiving this award have  
performed well over the expected  
number of hours for their schools  
and are great examples of persons  
who understand what it means to  
be of service to others.

# Annual Dog & Cat Clinic - June 6

The annual Dog and Cat Vaccine Clinic will be held on Saturday, June 6th from 9 AM to Noon at the City of BN garage, located behind the City Hall at 9641 Bellefontaine Road. Written proof or certificate of spay/neuter is required for reduced rabies vaccination. The cost of the city license is \$2.00, which expires on June 30th of every year.

<u>Dogs</u>		<u>Cats</u>	
Rabies (altered pets)	\$20.00	Rabies (altered pets)	\$20.00
Rabies (unaltered pets)	\$25.00	Rabies (unaltered pets)	\$25.00

Distemper/Bordetella Combo	\$25.00		
Lymes	\$15.00		

Microchips are available for \$30.00

## Promoting Responsible Pet Ownership

St. Louis County Animal Control Services has started a new program to help county residents pay for spaying or neutering their dogs and cats. An Ordinance passed in 2005 provides that \$1 from every sale of a rabies tag is put into a special fund to help St. Louis County residents have pets neutered or spayed.

**North Animal Shelter  
4100 Seven Hills Drive  
Florissant, MO 63033

### Why should pets be spayed or neutered?

This is a voucher program that can only be used by St. Louis County Residents. Pets must have a current rabies tag. Vouchers are like a coupon that will reduce, but not eliminate the cost of having the pet spayed or neutered. Vouchers are available for:

Cats Neuter	\$50.00
Cats Spay	\$60.00
Dogs Neuter	\$70.00
Dogs Spay	\$80.00

The person holding the voucher will have to pay the difference between the veterinarian's or clinic's charge for the procedure and what the voucher is worth. Approximately 90% of the Veterinarians in the area are accepting the vouchers. For more information about the Spay & Neuter voucher program, visit or call:

- Increasing the number of altered pets will help reduce overpopulation and the number of animals being euthanized.
- Significantly lowers the risk of mammary, ovarian, testicular and prostate cancers.
- Reduces the risk of pyometra (females).
- Eliminates the hassle of having pets go through their "cycles."
- Altered animals make better, more affectionate companions and are less likely to bite.
- Neutered animals are less likely to roam, run away from home or get into fights with other animals.

## Bikeable - Walkable Community Plan

Do you know which side of the road bicyclist should use?

The City of BN joined with Trailnet to design a Master Plan for better bicycle safety. The plan includes provisions for signage in subdivisions to marked bicycle lanes on major roads. The plan would also outline specific bicycle routes that would take riders from one end of the city to the other using existing parks and without using major roads.

This study received funding from the Missouri Department of Transportation and the East-West

Gateway Council of Governments. Funding is not in place to implement the Master Plan.

"Share the Road Signs" remind drivers that the road is shared by other uses and remind bicyclist which side of the road to use.

The Master Plan is available at the City Hall for your inspection. Comments can be left for consideration. The plan will be submitted to the BOA within the year.

Bicyclist should ride on the right side of the road and observe the same rules as all other drivers.
