Current Business

Beautification Action Day

Beautification Action Day was held on 9/30. There were approximately 30 participants and litter was picked up on at least 8 streets and roads. It was a very successful event. Refreshments were served afterward.

Flower Bed Cleanup

Due to the warm weather and rain, it was decided to cancel transplanting plants in the flowerbeds in front of City Hall until a later date. Transplanting will take place the same date as cleanup which is schedule for November 8.

Town Hall Meeting

Several members attended the Town Hall Meeting held on 9/30. Small vehicle litter bags with a couple of flyers were given to many of the attendees. Winners of the Summer Beautification Awards were recognized and given a certificate. Next year, we plan to place a yard sign in each winner's yard just as we currently do for Christmas Award winners.

Alderman Fields stated that he will contact another company that design signs and find out the cost of making yard signs.

Metro Adopt a Stop

Jennie and Shelley mentioned that signs hadn't been placed at the bus stops that they adopted. Jennie contacted Maureen at Metro.

New Business

Jennie mentioned that November's meeting will be the last official Board meeting until March, 2018. The Board will judge Christmas Decorations in December instead of having a meeting. The Board plan to have a notice posted on the electrical sign in Klein Park announcing the Christmas Decoration judging as well as placing an article on Bellefontaine Nextdoor and in Bellefontaine News.

The Board agreed that it would be a good idea to reach out to the Riverview School District and the Matthew Dickey Boys Clubs in the future. We could possibly partner with some of their events and they could partner with some of our events.

Parks and Recreation Action Items

- Replace stones on the Hill.
- Replacement of railroad ties at the Flower Bed on 270 and Lilac

Meeting was adjourned at 8:05 p.m. The next regular meeting will be held on Tuesday, November 14, 2017.
