When Can Litter Pick Up Occur

Litter should only be picked up during daylight hours.

What Happens When Trash Bags Are Filled

When trash bags are filled, they should be tied up and left on the side of the roadway away from traffic to be picked up by the Street Department. Items that are too large to be placed in trash bags such as tires, tree debris or other auto parts should be left in the pile on the side of the roadway. Every effort should be made to keep trash bags and other debris as close to the side of the roadway as possible and not on anyone's property.

What Will The City Provide

- Bellefontaine Neighbors will provide trash bags, gloves and a Bellefontaine Neighbors safety vest.
- A resident of Bellefontaine Neighbors with a valid Recreation Center ID will be awarded a free pass to the Recreation Center indoor/outdoor pool or Miniature Golf Course at the end of a successful contract period. If a group of volunteers are picking up litter, up to six passes can be awarded. Free visits will be limited to four visits per volunteer.
- A non-resident will be awarded a free pass to the Miniature Golf Course at the end of a successful contract period. If a group of volunteers are picking up litter, up to six passes can be awarded. Free visits will be limited to four visits per volunteer.
- Bellefontaine Neighbors Street Department will pick up trash bags when an activity report is received. Contact by the group should be made before the close of business hours for timely pickups.
- Bellefontaine Neighbors will keep a current list of roadways that have been adopted.

What Happens After The One Year Commitment Has Expired

The agreement is effective for one year from the date the Adopt-A-Street agreement and waiver are approved. Once the agreement has expired, the volunteer may renew their agreement by submitting another application and waiver form. Safety vests must be returned to the Street Department once an agreement has expired and the volunteer has chosen not to renew his or her application.
