

CITY OF BELLEFONTAINE NEIGHBORS
YOUTH COMMISSION
January 21, 2013

PRESENT: Rich Pflueger, Jean King, John Duhadway, Kim Sullivan and Siinya Edmondson.
Alderman Scott Schultz was also present.

ABSENT: Carnell Jones, Wayne Anderson, Missy Bober.

DARE Dance: The tickets are on sale now at the rec center. The hired DJ is interested in coming to the February 18th meeting to get a feel for what we expect from her and what she will need from us. Sgt. Vassallo will also attend this meeting. Scott will speak with Sgt. Vassallo about asking other officers and parents to volunteer for this event. We will raise the number of tickets being sold from 100 to 175. Mark Dickerson will be asked to purchase chips and soda.

Back to School Fair: this event is for Bellefontaine Residents only. The date for the fair is July 20, 2013 from 10a - 1p and we will serve students entering grades K-12 in the fall. Donuts, juice and coffee will be provided for vendors and other workers in the morning, hot dogs, chips and juice will be provided for all in attendance, including vendors. The gym has been reserved as well as the small meeting room. The registration process will take place at the recreation center. This is the better choice for registration because their hours of operation are more flexible than those of city hall. There are approximately 10 vendors who have stated they will participate. Registration should start no later than April 20th and end June 15th. A canned food drive will be incorporated in this event

Bike Rodeo: The tentative date for this event will be May 18th with an alternate rain date of May 25th. Scott will check with Sgt. Vassals, the recreation center and city hall to make sure these dates do not conflict with any other events.

Fishing Derby: Rich will contact the Dept of Conservation to reserve the lakes.

THE NEXT MEETING WILL BE ON MONDAY FEBRUARY 18, 2013, AT 7:30 P.M. AT CITY HALL.
