The board reviewed material that the Police Chief had given us on the distribution of pseudoephedrine. We had a discussion on the subject and voted 6-1 to recommend to the Board of Aldermen to ask the City Attorney to write an ordinance prohibiting the sale of pseudoephedrine without a prescription.

It was also discussed by the board that Police cars are seen with radar on the main streets. What most residents at the Public Service and the Neighborhood Watch meeting would like is to slow the traffic in the subdivisions.

Chairman Ed Meier said the new firehouse is being used and will contact the Chief to find out when they will have an open house.

Don't forget to vote April 3.

Also thanks to Chief Pruett for the listing of Code Violations.

With no other business to be discussed, the meeting was adjourned at 7:05 pm.

The next Public Safety meeting will be April 26, 2012.

Respectfully Submitted

Larry Fuller, Secretary
