

PUBLIC SAFETY COMMITTEE
MEETING
JUNE 27, 2013

Chairman Ed Meier called the meeting to order at 6:30 pm.

Present were: Al Chamberlin, Jeff Lofton, Larry Fuller, Doug Chambers, Jim Christian, William Murphy Chairman Ed Meier, and Alderman Audrey Hollis.

June 22, after the severe storms went through, the Mayor and Police Chief called on the CERT team to go through ward 3 and check for wires down and report them to the Fire Chief. He then turned the addresses over to Ameren.

As a public safety issue, Chairman Ed Meier talked to the Street Department and reported large trees and limbs on the corner of Dwight and Akron. He said it blocked the view of the merging streets and was afraid someone would have an accident or possibly hit a child. He received no response.

The question was asked if the city should issue permits and require signs for all the BBQ's at Bellefontaine and Chambers. This would be a public safety health issue for someone possibly becoming sick.

On the grass cutting ordinance, the question was would it be within the city's rights to issue only 1 warning per season and from then on issue tickets after the grass reached a specified length?

The meeting was adjourned at 6:55 pm.

The next meeting will be July 25, 2013.

Respectfully Submitted

Larry Fuller, Secretary

P.S: Deni, Ed would like to have a list of all CERT members.
