

Community Partner or Volunteer of the Month Nomination Form

In the effort to highlight the amazing parents members of Riverview Gardens School District, RGSD is requesting Community Partner/Volunteer of the Month nominations. Nominations may be made by RGSD scholars, teachers, staff members, parents, community members or community partners.

Community Partner/Volunteer of the Month awardees will be honored at a Special Administrative Board meeting, alongside the Scholar of the Month, Staff Member of the Month and Parent of the Month. The nominations will be reviewed by the RGSD Communications Committee and an awardee will be chosen each month.

If a staff member is chosen for recognition, the nominator will be asked to attend the Board of Education meeting to be a part of the presentation. To nominate an amazing parent, please complete this form and submit it. It will be emailed to the Communications Department and the principal(s) of the school(s) of the parent's child(ren).

Nominations that you submit will be considered throughout the current school year.
