

CITY OF BELLEFONTAINE NEIGHBORS

BELLEFONTAINE NEWS

SPRING/SUMMER 2026

Mayor's 60 plus-Day Progress Update

Dear Residents,

As your Mayor, I remain committed to restoring stability, strengthening operations, and increasing transparency across the City of Bellefontaine Neighbors. During my first 60 plus days in office, significant progress has been made in several key areas.

Personnel

To help stabilize city services, the City has filled several critical positions, including staff in the City Clerk's Office, Police Department, Parks and Recreation, Municipal Court, and Public Works. In addition, a St. Louis Internship Program intern has joined the Building Department to provide additional administrative support.

Financial Management

The City has made meaningful progress in improving its financial operations.

- Unencumbered ARPA funds have been returned.
- The 2023 independent audit has been completed, and auditors will begin work on the 2024 audit. The report is available online at cityofbn.com.
- Bank reconciliations are being completed to bring the City's financial records current.
- The Missouri State Auditor has agreed to conduct a state audit. Based on the City's previous financial records, the Auditor's Office has determined that an audit is warranted. The estimated cost is between \$85,000 and \$135,000, with payment plan options available upon completion.

A balanced FY 2026-2027 budget was presented to the Board of Aldermen before the statutory deadline. Although the budget was not approved by the Board and no amendments were recommended, the administration remains committed to working with the Board toward adoption so the City can return to budget compliance.

Boards and Commissions

The Board of Aldermen approved my appointments to the Planning and Zoning Commission, Board of Adjustment, and Youth Commission.

The majority of the Board also made a motion and approved a 60-day moratorium on new appointments to the Human Relations Commission, Parks and Recreation Commission, and Public Safety Commission to allow alderpersons additional time to learn about those commissions. Existing members will continue serving until new appointments can be considered.

BELLEFONTAINE NEWS

SPRING/SUMMER 2026

Communication and Transparency

Improving communication with residents has been a priority.

- The City now maintains an active Facebook page with regular updates regarding emergencies, Board meetings, community events, and city news.
- Regular neighborhood updates are also being shared through Nextdoor.
- The City's website has been updated, with additional improvements and resources continuing to be added.

Public Safety

The Police Department earned the Blue Shield designation, demonstrating its commitment to professional policing and public safety. The department is also exploring a partnership with Riverview Gardens to enhance service delivery and strengthen regional collaboration.

In addition, the Mayor, Police Department, Fire Chief, and other elected officials have met with MODOT to discuss safety improvements along Highway 367. Proposed measures include the installation of barriers along certain stretches of the roadway. Currently, speed-monitoring trailers are in place to track vehicle speeds and encourage drivers to slow down. A town hall meeting is scheduled for August 13, from 4-6 p.m. held in the Paul F. Detrick Atrium at Christian Hospital, 11133 Dunn Rd., 63136 to provide residents with more information and gather community input.

Facilities

The Board of Aldermen approved emergency measures to address long-standing facility issues at City Hall, including mold remediation and replacement of the deteriorated roof and gutters. Staff have been temporarily relocated to protect employee health while remediation work proceeds, and plans are underway to relocate Police Department operations during the project.

Compliance

The City has brought its municipal code up to date by codifying ordinances and making both ordinances and resolutions available online for residents. The City's codification had not been updated since 2023, and this effort improves transparency and public access to local laws.

While much work remains, these accomplishments represent important steps toward restoring financial accountability, improving city services, strengthening transparency, and positioning Bellefontaine Neighbors for long-term success. I appreciate the continued support, patience, and engagement of our residents as we move our community forward together.

With gratitude and commitment,

Miranda Avant

CITY OF BELLEFONTAINE NEIGHBORS

WARDS 1

WESLEY GILLESPIE
ALDERMAN

Dear Bellefontaine Neighbors Residents,

Thank you for participating in the April election, voter engagement is the foundation of our democracy and should never be taken for granted. I congratulate our Mayor and all newly elected and re-elected officials as we enter the third month of this administration facing both challenges and opportunities. One of the Board's most important responsibilities is adopting a legally balanced budget for the July 1 fiscal year, ensuring responsible stewardship of taxpayer dollars while addressing the needs of our aging infrastructure through preventative planning rather than costly emergencies. Operating without a full-time City Administrator adds complexity, making collaboration, efficiency, and strategic planning even more critical. We must not only manage today's operations effectively but also position Bellefontaine Neighbors as a community where businesses see opportunity and homeowners see stability and growth. With two years remaining in my term, I remain committed to working collaboratively, embracing fresh perspectives, and ensuring our city moves forward with integrity, transparency, fiscal responsibility, and purpose—because Bellefontaine Neighbors deserves thoughtful leadership and meaningful progress.

Respectfully,

Wesley W. Gillespie, MBA

Board President / Alderman

FELICIA BISHOP
ALDERWOMAN

From day to day, issues affecting the residents grow larger and bring long-term pressures and community division. It's clear that we need leadership that recognizes the full scope of what is at stake. Without hard conversations and cooperation, it can add to the lack of trust within local government. I want to be proactive rather than reactive. That means planning ahead, thinking forward, and focusing on measurable solutions.

We need to evaluate problems honestly and work toward viable outcomes, not just hold discussions.

I also hope for a board that is inclusive, non-biased, and operates with integrity. As elected officials, our approach should be fair, grounded in reality, and serve the entire city. Thank you for your continued support as I strive to navigate the many obstacles and pressures as an elected official.

BRITTANY ALBERTY
WARD 3 ALDERWOMAN

Hello,
Ward 3
Neighbors! 

Summer is here! We hope you're taking time to enjoy the sunshine, spend time with family and friends, and make the most of the season.

STAY HYDRATED. As temperatures rise, remember to drink plenty of water, wear sunscreen, and check on older neighbors or anyone who may need a little extra help during periods of extreme heat. Small acts of kindness can make a big difference.

SUMMER GROWS FAST. Grass, weeds, and landscaping grow much more quickly this time of year. Help keep our city beautiful by keeping your neighborhood looking its best. We also ask our partners with City crew as they work diligently to address seasonal mowing and maintenance—thank you for your help!

STAY INFORMED. There is a lot happening in Bellefontaine Neighbors, and we don't want anyone to miss important updates, projects, or resources available. Sign up for our newsletter and follow us on social media for the latest information on City news and events, community programs, library and rec, upcoming events, and issues affecting our community.

WE'RE WORKING FOR YOU.

We are committed to listening, leading, and working hard to ensure Ward 3 is a strong, vibrant, and welcoming place for everyone. Don't hesitate to reach out!

Let's stay connected! 

We're here to serve, so let us know how we can support you!

BUILDING DEPARTMENT INFO AND REMINDER

9641 BELLEFONTAINE RD ST. LOUIS, MO 63137 ~ O: 314-867-0076~ F: 314-867-1790

Friendly Reminder to Our Residents

As we transition into fall and trees begin shedding their leaves, please keep in mind that a large accumulation of leaves can attract pests and small rodents. When tidying up your yard, you can dispose of yard waste like leaves, small sticks, gumballs, and more in the yard waste bins provided by Waste Management. They will also accept brown paper bags from Home Depot.

- Please ensure these are placed at the curb for collection and do not obstruct the road.
- While mowing your lawn and clearing leaves, refrain from blowing clippings onto the street, as this poses a safety risk, violates ordinances, and is illegal.

For any concerns or issues, we kindly ask that you submit them through our online portal on our website, CityOfBN.com, under the building department tab.

Help Maintain a Safe, Clean, and Enjoyable City for Everyone!

Job and Career Opportunities

The City of Bellefontaine Neighbors is currently offering both full-time and part-time positions across various departments. For more information, please reach out to our human resources department at 314-867-0076 ext. 235 or visit our website at: **CITYOFBN.COM**.

FOR IMMEDIATE RELEASE – July 21, 2026

MoDOT Hosts Public Meeting Aug. 13 on Route 367 Improvements Project
MoDOT Hosts Public Meeting Aug. 13 on Route 367 Improvements Project | Missouri Department of Transportation

NORTH ST. LOUIS COUNTY – The Missouri Department of Transportation (MoDOT) will host a public meeting for its Route 367 Traffic Safety and Operational Improvements project on Thursday, Aug. 13 from 4-6 p.m. The open-house style meeting will be held in the Paul F. Detrick Atrium at Christian Hospital, 11133 Dunn Rd., 63136.

The Route 367 project will address rising crash patterns and improve safety within the corridor from south of I-270 to north of the Halls Ferry Circle. The Aug. 13 public meeting will allow attendees to view and share feedback on proposed improvements prior to plans being finalized. Construction is scheduled to start in summer 2027.

Attendees can stop by the public meeting at any time during the indicated hours. A formal presentation is not scheduled. Attendees will also have an opportunity to provide feedback on the study by completing a comment form while at the meeting.

Access for people with disabilities is available. People with disabilities who require special services at the public meeting should notify Senior Communications Specialist Charlene Goston by Aug. 3 at 314-624-3765, so that arrangements for those services can be made.

Beginning Wednesday, Aug. 5, MoDOT will conduct a Route 367 Safety Demonstration project between I-270 and Comet Dr. It is a short-term project to test, showcase and evaluate road safety improvements in a real-world setting to gather evidence, build support and inform larger, long-term safety strategies.

For further information on the Route 367 project, visit <https://www.modot.org/missouri-route-367-safety-and-operational-improvements-st-louis>.

RGSD RECOGNIZED FOR OUTSTANDING ACADEMIC IMPROVEMENT

Riverview Gardens School District is being recognized for a remarkable academic turnaround. A new report from Solution Tree highlights a significant increase in overall performance over the last three years.

With the Solution Tree partnership, RGSD implemented common formative assessments, created guiding coalitions and trained teams to analyze on a weekly basis.

As a result of this partnership, the district's Annual Performance Report (APR) score by the Missouri Department of Elementary and Secondary Education rose from 49.9% in 2023 to 59.2% in 2025. Total performance points also grew from 61.4% to 69.5% during that same period. That score placed the district just ½ point short of scoring in the fully accredited range.

The district's continuous improvement score, which tracks the effectiveness of planning and evaluation, remained high at 93.3%. RGSD's staff have embraced the work of improving its professional learning communities and have improved learning by elevating expectations and performance.

ST. LOUIS-AREA SCHOOL DISTRICTS FACE GROWING FINANCIAL CHALLENGE

RGSD is inviting our community and employees to help shape solutions that ensure the district remains well-positioned to support student success. Please take the "Ramily" survey.

School districts across the St. Louis region are facing increasing financial pressure as costs continue to rise while state and federal funding declines. As a result, many districts are considering tax increases and/or levy transfers to help maintain educational programs and services.

Several districts, including Ferguson-Florissant, Webster Groves, Parkway, Rockwood, Hazelwood, Francis Howell, and Riverview Gardens, are exploring different strategies to address budget shortfalls. While some districts have successfully passed tax measures, others continue to evaluate options after making significant budget reductions.

Family, your input is necessary and very important as we work with our Board, our employees and our community towards developing an effective plan to sustain our recent academic growth, stabilize our budget and move our district forward. Learn more at rgsdmo.org.

1218 SHEPLEY DR.

RGSD students must be registered for school to receive tickets & items at the Back-to-School Bash.

The First Day of School for the 2026-2027 School Year is

August 24

FALLING INTO *Autumn*

With REPRESENTATIVE

Marlene
TERRY

As we welcome the arrival of fall, the season brings a sense of reflection, gratitude, and preparation for the work ahead. Just as the leaves begin to change and the year slowly moves toward a close, we are reminded to look back on the progress made while remaining focused on the needs still before us.

It has been one of the greatest honors and privileges of my life to serve this community over the past six years, and I look forward to continuing to do so during the 2027 legislative session. During this time, my focus will remain on advancing legislation that supports families, protects children, strengthens our neighborhoods, and creates real opportunities for the people of our district. Items such as family-centered legislation, protecting the rights of parents and ensuring students receive the opportunities they deserve, introducing reforms that improve fairness, accountability, and outcomes within the incarceration system, and supporting policies that strengthen our community and respond to the needs of working families are all at the top of my legislative priorities.

This agenda reflects the values and concerns I hear from residents every day, as every conversation and every concern shared has only strengthened my commitment and continues to help guide me in Jefferson City.

The fall season serves as a meaningful reminder that change is constant, but so is our responsibility to meet that change with purpose, courage, and care. Throughout the coming months, my office will remain committed to listening, responding, and working alongside community members to address the issues that matter most.

Your voices, experiences, and continued engagement are invaluable as we move forward together. If my office can be of assistance in any way, please do not hesitate to contact the information below.

State Senator
ANGELA MOSLEY

Standing Up for Missing and Murdered African American Women and Girls

In every community, there are families still waiting for answers. There are mothers, daughters, sisters, aunties, and friends whose names deserve to be remembered, whose cases deserve attention, and whose families deserve justice.

Senator Mosley has been leading the charge in Missouri to bring greater awareness, accountability, and action to the crisis of missing and murdered African American women and girls. Through her efforts, Missouri created the Missing and Murdered African American Women and Girls Task Force, a much-needed step toward studying the patterns, gaps, and barriers that have allowed too many cases to remain unsolved or overlooked.

The data and reports are alarming. Across Missouri and across the country, Black women and girls continue to go missing and experience violence at troubling rates, yet their cases too often receive less attention, fewer resources, and slower responses. This is not just a law enforcement issue. It is a community issue, a public safety issue, and a human issue.

Senator Mosley is now working to take this effort even further by advancing legislation to establish a permanent Office of Missing and Murdered African American Women and Girls within the Missouri Department of Public Safety. This office would help coordinate resources, collect and review data, support families, work with law enforcement, and create stronger systems to prevent these cases from being ignored.

As a community, we must pay attention to this work. We must support policies that protect the most vulnerable among us. We must listen to families who have been crying out for years. And we must make sure that no woman or girl is forgotten simply because her story did not make the headlines.

Senator Mosley's work is about more than legislation. It is about dignity. It is about justice. It is about making sure every missing person is searched for, every family is heard, and every life is valued.

Our community stands with this effort because the safety of Black women and girls should never be treated as optional. It should be a priority.
